Vol. 50—No. 6

Maryville, Missouri

November 6, 1963

From the President's Desk

To the Faculty, the Student Body, and all employees of the Northwest Missouri State College:

Surely no college president anywhere has more justification for pride in the faculty, the students, and the employees of an institution than I have as a result of your wholehearted cooperation in making the 1963 Homecoming a success. I want each one of you to know that I appreciate your efforts in holding high the standards of this college.

Thank you!

J. W. Jones
President

400 Petition Foods Group

The Union Board Food Committee received a petition signed by 400 students asking that they be allowed to select the cafeteria line to which they are assigned.

The committee considered the petition at the regular meeting last Thursday, but due to problems arising at the check points, decided to vary the rooms in which various sections of students are eating. For example those now eating in the Hawthorn Room would be shifted to the Blue Room.

The committee, under the chairmanship of Bob Cotter, meets each week to present student complaints about the cafeteria to the cafeteria personnel and to work out solutions.

Do It Now

(The following letter was sent by members of the Northwest Missourian staff to the Traffic Court.)

Chairman
Student-Faculty Traffic Court
Dear Sir:

It has come to the attention of the Northwest Missourian that an acute increase in reckless driving has developed on campus. This situation has become so serious that we feel certain steps should be taken by your committee to put an end to it.

There are approximately four-hundred children on campus during the week. This includes the students at Horace Mann, dependents from college heights and the trailer court. Also, there are many students walking the campus at night as well as during the daylight hours.

One who has children cannot simply wait around for the first child to be injured or killed before some kind of action is recommended. It must be done immediately as a preventive measure to insure that this never happens.

We realize that it is against administration policy to have the local police patrolling the campus continuously. We feel that a twenty-four hour campus patrol is the only answer. The patrol should have the right to pursue and stop all violators. The violator should then be placed into the hands of the local police for arrangement of a traffic court hearing, or, if under the influence of alcohol, other arrangements.

We strongly feel that anyone convicted of any type of reckless driving, whether it be simple speeding, or something more serious, should appear before the Student-Faculty Traffic Court. He or she should not be allowed to drive his or her automobile on this campus permanently. When this is done the license should be given to the campus patrol to insure the penalty is carried out. The patrol should also receive a description of the car and the student's name.

The staff of the Northwest Missourian pledges its full support to the Student-Faculty Traffic Court, and we will do our part in informing the student body of your actions.

Very truly yours,
Robert Johnson,
Co-editor
Marvin Bell,
Co-editor
Ted Jamison,
Business Manager

Lost in Filing?

(Excerpts from the minutes of the Student Senate Oct. 19, 1961 meeting.)

Bob Cobb presented before the Senate an amendment for By-Law Number 1, Regulation 4 of the Student Government Association. The amendment read as follows:

Section 1. During the Wednesday of the third full week in the first semester, Freshmen, Sophomores, Juniors, and Seniors shall meet for the nomination of class officers. There may be any number of nominations for each office. A motion to close nominations can not be made until all nominations have been presented.

Section 2. The Student Senate shall be in charge of setting the time and of notification as to the time of nominating conventions. The President of the Student Government Association shall be the presiding officer for the Freshman Nominating Convention. All class officers shall be elected at an all school election to be held from 8:00 a.m. to 4:00 p.m. The elections shall be held one week from the day of the nominating convention. These elections shall be by secret ballot and shall be conducted under the auspices of the Student Senate.

Section 3. Any candidate having a plurality of votes shall be declared elected. In regard to absentee ballots, these shall be permitted providing they conform to regulations specified in Article 6, Section 5, e and f, of this Constitution. Campaigns shall be conducted under the jurisdiction of the Student Senate.

June Lee Nelson moved that the Amendment be accepted. It was passed by an eleven to one vote of the Senate; Advisors approving.

LITTLE MAN ON CAMPUS

Mail Bag

Dear Student Senate:

We, an organization composed of both Greeks and non-Greeks, are not trying to criticize unjustly. However, we have had questions arise in our minds as to the handling of the class elections for this school year. Because of our interest and the voiced interest of our membership, we are asking the Student Senate for a formal statement relating to the circumstances surrounding and the manner in which the class elections were held. We are especially concerned with the inadequate publicity and the apparent short notice of the meetings.

By the issuance of a statement, we feel that the situation will be clarified in our minds and in those of the student body.

Sincerely,
Judy Huitt, President
A.W.S. Executive Council

The movie will play at the Tivoli Theatre Friday and Saturday.

The story concerns a North Korean pilot who is shot down during an attack on a U.S. freighter in World War II, and the conflict between a sergeant and his men over the pilot's execution.

Bearcats Press Kirksville, But Finally Lose, 22-7

Five fumble recoveries and three interceptions of Kirksville passes didn't aid the Northwest State College Bearcats to an MIAA win Saturday afternoon, and they fell before the Bulldogs from Northeast State, 22-7, at Kirksville.

Kirksville stayed in a tie for the MIAA lead with Springfield, remaining unbeaten at 4-0 in loop action. Springfield meanwhile was manhandling Rolla to the tune of 41-0 to remain unbeaten at 7-0 and 4-0 in conference play.

Kirks Keep Trophy

The win also left possession of the "Old Hickory Stick," symbolic of competition between the two schools, at Kirksville where it has been since 1956.

After a scoreless first quarter the Bearcats did their scoring in the second stanza as guard Ed Maxwell picked off a Kirksville pass by quarterback Paul Comer at the MSC 31 and thundered 69 yards to a touchdown to pull the 'Cats even with Kirksville. The 'Dogs had scored on the opening play of the second period on a 5-yard scramble by Mike Vaia.

'Cats Take Brief Lead

MSC took a brief lead, 7-6, as Mike Peterson kicked the PAT. Kirksville's PAT conversion kick had been unsuccessful after the first scoring drive.

Leo Papas, leading passer in the MIAA, had little more success as he completed only 10 of 22 aeriels for 90 yards. Three of his passes were intercepted.

One Game Remaining

Maryville is now 3-4-1 overall and 1-3 in MIAA play. Kirksville is 7-1 overall and 4-0 in the league. Maryville finishes season play next week against defending champion Cape Girardeau. The Indians have had rough-going this fall but last week exploded for a resounding win over Warrensburg.

Springfield State will play host to the Bulldogs next week as the two teams play off for the MIAA crown.

'Cats to Tangle with Cape Indians in MIAA Dual

Rolla did it. Can the Bearcats? Rolla upset defending MIAA champs Cape Girardeau three weeks ago. This question faces Coach Ivan Schottel and his Bearcats as they tackle the victory-hungry Indians at Cape Girardeau Saturday.

Prior to last Saturday's

game, the Indians were the cellar-dwellers of the MIAA Conference. Cape has been dealt conference setbacks by Rolla, 19-14; Kirksville 20-0, and Springfield 26-17. The Indians were predicted co-favorites along with Kirksville in the pre-season polls.

Setting all predictions and results aside, Cape does have a strong and able team. Among Coach Kenneth Knox's 19 returning lettermen are three All-MIAA players led by All-MIAA quarterback, Hal Lane. Lane was the leading passer in the conference last season and his understudy Gary Lych, was sixth in the conference in the same department. The other MIAA stars are guard Joe Critchlow and halfback Lyman Brown. Also adding depth in the backfield is fullback Norm Dockins.

Outside of being the top rushers in the conference, Brown and Dockins are also talented pass receivers. They ranked in the top ten receivers in the conference last year. Dockins, a 220-pound,

bone-jarring runner, was fifth in the conference in rushing last season. Brown is a break-away threat every time he gets his hands on the pigskin.

Anchoring the line will be All-MIAA Joe Critchlow, tackles, Lon Wilkie and Paul Webber, and center Lee Bauwens. The only weak spots in the forward wall are the end positions. Coach Knox has yet been able to locate any glue-fingered ends.

Maryville will be facing the Indians at Cape, with the Indian's hungry to escape the MIAA cellar.

Practice Session Rquired In Intramural Wrestling

Dr. H. D. Peterson announced the following policies concerning the intramural wrestling program, slated to begin Wednesday, Nov. 13.

(3). All men intending to participate in the tournament must sign in Nov. 6 and 7, 7:00-10:00 p.m. (evening) at the PE and intramural equipment room door in Lamkin Gymnasium.

Each participant must wear standard gymnasium class dress for the workout sessions.

'Cat Bees Boast Winning Season

By Lanny Green

Coach Burton Richey, commenting on the MSC B squad's football record of 3-1, said the team showed more potential than any team in the past four years.

MSC's wins came against Tarkio, 19-7; Peru, 13-0; and Warrensburg, 20-14. The B gridders were on the short end of a game with William Jewell, 15-13.

Throughout the season Mick Ross was the leading ground gainer for the Bees. The quarterback position was backed with plenty of depth, but Mike Corbett, a freshman with a

good arm, usually got the starting nod. The B squad defensive unit was led by Vince Vanderwiede, Joe Zembles, Ron Kauzlarich, and Gary Urich. Outstanding offensive play was turned in by Bob Rempe, Leroy Heinen, Jim Wakeman, and Jeff Haugh.

Coach Richey felt that although the defensive play was the best part of the four games, the offense will develop in time. He stated that although the team is about equal in size with previous B teams, this year's unit had more potential ability, and if this ability is developed properly it could lead to the makings of a successful varsity squad in a couple of years.
